

# FED stories

Formation. Education. Discipleship

“FED stories” is an initiative of the UCA Assembly to foster conversation about formation, education and discipleship across the Uniting Church.

Based loosely on the well-known “TED Talks”, FED Stories are gatherings where participants hear stories of practices in relation to formation, education and discipleship.

Contact the FED unit for more information:

## Learning Together

How do faith communities foster lifelong growth in faith and discipleship? **FED STORIES** is an opportunity for leaders to listen to and learn from one another in an environment of mutual encouragement and shared discovery.

***Now, FED is coming to Canberra.***

You are invited to be part of a morning together at ***Kippax Uniting Community Centre, on Thursday 3 July 930am-12.30pm***

We believe that as a church we can learn from each others’ experiences and experiments from, from long held wisdom, and from risk-taking adventure.

I look forward to seeing you at Kippax this July for **FED stories**.

Craig Mitchell  
National Director  
Formation, Education & Discipleship
